MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : PFIAB Meeting, June 7, 1974

1. The PFIAB meeting is being scheduled for 6/7 June. You are invited to address the Board on June 7, 9:30 to 11:00. Your calendar is clear at the present time.

2. The following items were suggested:

- Comments on the 11/8 issue discussed with you at the last PFIAB meeting.

Wheaton is aware that you intend to address this and the entire PFIAB report in writing to the President but feels your own words in this matter will be expected.

- Update on the work of the Interagency Committee on International Exchange.

25X1 PFIAB is spending some time focusing on this subject and would "probably appreciate some identification of what the community is doing with respect to the matter." [redacted] group should be able to provide a status report about now for you to use.

- Classification.

25X1 [redacted] has registered some concern that much of the
25X1 information he hears as a member of PFIAB he later
25X1 reads in the paper. As you know, [redacted] has histori-
cally made a speech on this subject when the opportunity
arises. [redacted] feels some commentary on this subject
would open a dialogue with the members which would be
helpful to them and might provide guidance of value to you.
